

**Instructions**

Print out the template on card stock or paper. Choose a word that represents your dyslexia and communicate what that word means to you through the method of your choice (e.g., drawing, painting, writing). Include your name (first name and last initial), age and where you're from.

Here are some helpful hints to think about while choosing your word:

- What do you love to do?*
- What makes you happy?*
- What comes naturally to you?*

All of these things are your dyslexia!

Send it back to us!
